

Kalgoorlie/Boulder Fair Society Inc, Announcement

To our Valued Sponsors and Patrons of the Kalgoorlie/Boulder Fair Society, *with the recent spread of COVID-19 in our Kalgoorlie-Boulder community, we have been keeping up to date with the latest advice from WA Health and following all mandates and guidelines as set out by the West Australian Government. On Monday 28th February, the West Australian Government announced that Phase 2 restrictions will be implemented state-wide on Thursday 3rd March*

The Kalgoorlie-Boulder Community Fair Society Inc has been in regular contact with relevant officers from the WA Health Department about measures to take during the Fair to ensure good hygiene by vendors in light of the COVID-19 Corona Virus.

While we are totally devastated by this decision, we must abide by the mandates to help keep our wonderful community safe.

I would like to assure the Community that we are taking the best advice and based on the most recent announcement by the State Premier that the recommendation is not to hold mass gatherings involving more than 500 people, it is now unlikely that the 2022 Community Fair will go ahead.

I'd like to take this opportunity to thank the committee for all the time and effort they have put into planning this event. They have spent time away from their own families and put in so much time, effort and emotion to try and get us over the line and I can't express my gratitude enough.

We are still moving forward with our New Years Eve event, with lots of planning and work going into it, moving forward with huge plans and a lot of new ideas to follow through to the 2023 Fair.

Myself as President am truly shattered with this news as I believe the fair is a huge part of this community, and of course a huge part of my heart with 23 years being a part of this event each and every year has been so for filling for myself and our committee, we are all so saddened by this outcome.

Kind Regards,

Sue Davey

President

Kalgoorlie Boulder Community fair Society Inc
