

Lego Robotics Competition Information & Entry Form

Can you create and program your robotic vehicle to do the challenge and finish the task? Get your team together and be part of the Kalgoorlie-Boulder Community Fair Lego Robotics Competition.

We also encourage school teams to enter with a limit of one team per school.

Teams are limited to 5 participants.

Our 2020 competitions will be held at *1pm on Saturday 28 March 2020* in the *Fair Society Hall*.

The first 8 teams to register will be accepted with other teams placed on a waiting list.

Conditions of entry

- \$10 entry fee per team
- Your whole team must be prepared to attend pre-training on:
Saturday 14 March at 1pm at the Museum of the Goldfields for 2 hours

AND

Saturday 21 March at 1pm at the Museum of the Goldfields for 2 hours
