GUIDELINES

- Articles NOT to be washed. Exception Quilting work.
- All exhibits must be work of exhibitor.
- Article can be bought or made. Embroidery ONLY will be judged.
- No work that has previously won a prize at the Kalgoorlie-Boulder Community Fair may be entered.
- Exhibitors must state on entry form the approximate size of article(s).
- Machine work ONLY to be judged.
- Stewards have the authority to reclassify any entry.
- All exhibits must be work of exhibitor.

Machine work

- Crochet edges are permitted but will NOT be judged.
- All framed work must have external measurements on entry form to enable suitable display of work.

Quilting

- Exhibitors must state on entry forms the approximate size of articles.
- Piecing: corners must meet precisely in the patchwork, seams flat and unobtrusive, the pieces of the patchwork must fit together smoothly and lie flat.
- Appliqué: All curves should be smooth and flowing, the stitching should either compliment the design or be unnoticeable.
- Quilting: The stitches should be evenly spaced and uniform in length over the entire quilt top and back, with no puckers or pleats.
- Borders, Binding & Lining/Backing: Colours to compliment, repeat or harmonise with other colours in quilt, the seams in the lining/backing should be relevant to the size and shape of quilt, with no unsightly stitches, knots etc.

- Tied knots in comforters should be secure.
- Each article must have an Exhibitors ticket attached with a safety pin showing the class that the article is entered in.
- All Exhibits must be the work of the Exhibitor only (Excluding classes 2 & 7)

Knitting

- Article must be in proportion, pattern and yarn be suitable for the garment or article made.
- Evenness of fabric and tension essential; no ends should show; joining should be at ends of rows.
- Casting on and off should be elastic though firm; special care with pockets, hems, buttons holes, increasing and decreasing, picking up of stitches around necks, and arm holes.
- Pressing must not be overdone, man-made fibres will not take heat.
- Seams to be sewn by hand, using a woven, oversewn running or back stitch, split yarn for stitching if necessary.
- Seams must not be bulky. Armholes to be firm, not tight, so they will give and not cut when being worn.
- All stripes, patterns, ribbed bands etc, must match.
- For fine work, seams should be woven.
- Fastenings should be sewn on with yarn in which article is worked.
- Do not use shanks buttons or lace on baby wear, only use flat buttons.
- Each article must have exhibitors ticket attached with wool (no pins). These will be given out when entries are delivered to Fair, please bring appropriate tools/for attaching (scissors, wool).

Crocheting

- Suitability of yarn ply to hook used.
- Evenness of tension.
- Care with finishing – ends sewn in and no knots.
- Proportion and shape essential.
- Table centres etc, should be mounted to allow judge to view back of work.
- Harmony of colours is important.
- Care with design.
- FINE CROCHET – Judge as per basic points listed (30-40 cotton).
- COURSE CROCHET – Judge as per basic points listed (10-20 cotton or knitting cotton).
- CROCHET RUG – Judge as per basic points listed.

- GARMENTS IN WOOL AND COTTON – for assembling garments – if using thick ply wool, split before using.
- With cotton do not try to splice, use as it is to sew up work.
- Extra points should be given for original designs and intricate patterns.
- If using multi coloured yarns avoid having side seams, work in the round or in one piece.
- Do not over press.
- Sew up with flat seam and back stitching.
- No shank buttons to be used on baby wear.
- Each article must have exhibitors ticket attached with wool (no pins). These will be given out when entries are delivered to Fair, please bring appropriate tools/for attaching (scissors, wool)

Handicrafts

- Exhibitors are to state the approximate size of the article on the Entry Form.
- TOYS: Basic rules for judging apply
- SOFT TOYS – A soft fabric should be used and should be sewn together neatly and firmly either by hand or machine.
- The shape should be good, firm and evenly stuffed – but not hard and heavy.
- The head should be firm and there should be no sharp or easily detached parts for a small child to pull off, eyes etc. are best worked or made in felt and attached firmly.
- HARD TOYS – Shapes should be simple and balanced. If made from wood the grain should be taken into consideration. If painted, colours that are bright appeal to a child.
- Paint should be neatly and evenly applied. The toy should be strong, pleasing to the eye and well finished with no sharp corners.
- DECORATIVE TOYS - These are usually large and are for show more than use. The general principles for judging soft toys can be applied to decorative toys.
- There is no class for electrical craft.
